

UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

SHANA MARIE COTTONE, et al.

Plaintiffs,

v.

CITY OF BOSTON, et al.

Defendants.

Civil Action No.: 1:22-cv-10285-AK

PLAINTIFFS' MOTION TO FILE
AN OVERSIZED MEMORANDUM

COMES NOW the Plaintiffs, by and through their counsel, and respectfully requests permission to file the attached oversized *Plaintiffs' Opposition to Defendants' Motion to Dismiss*. In support of this Motion, counsel states the following:

The Opposition is 3 pages over the limit of 20 pages. The reason for this is (1) there are 19 Plaintiffs involved in the action, and (2) the Defendants, in their Motion to Dismiss, made a claim for dismissal that each Plaintiff failed to sufficiently plead that they had been injured and said injury was attributable to the Defendants, and consequently counsel was required in the Opposition response to parse the Complaint and review each Plaintiff's set of facts and how they were injured and how that injury is attributable to the Defendants. These circumstances required counsel to use more pages than ordinarily would have been necessary if required to just submit legal arguments.

WHEREFORE, the motion ought to be GRANTED.

Respectfully submitted,
The Plaintiffs
By their attorney,
